

## Model 25 Cot

The Ferno® Model 25 ambulance cot is simple to operate, with legs that fold as the cot is loaded into the ambulance and unfold as the cot is removed.

- › Simple to use roll-in cot with two levels of height adjustment: fully elevated or ground level
- › Independent folding legs
- › Lightweight tubular aluminum construction provides durability and strength
- › Swing-down sidearms enable convenient patient transfer from bed to cot
- › Two stationary and two 360° swivel wheels
- › Adjustable backrest angles from 0° to 75°
- › Now includes two roll-out wheels at operator end
